

# WISEASY R1

## Card Reader

## **Technical Specifications**

#### **Application Scenarios**

connected to smart devices via bluetooth

32-bit RISC Core (ARMv7-M)

#### Дици Memory

4MB Flash, 128KB RAM

#### Bluetooth

#### Buzzer **Supports**

#### **Operating System**

Windows 7 and their later

#### **Battery**

#### **RTC Button Battery**

220mA (built-in & non-removable)

#### **Anti-tamper**

#### NFC

13.56MHz Supports ISO/IEC 14443 Type A&B, Mifare card (Mifare One S50, Mifare One S70)

l. Supports IS07810/78<u>11/7812</u> 2. Supports three-track two-way manual card

#### **IC Card Reader**

Supports ISO7816 **EMV** specification PCI6.x POS terminal safety certification

#### **USB Cable**

Type C

## **Lanyard Hole**

#### **Drop Test**

#### **Dimensions**

72\*72\*13mm

### **Certifications**
