Purpose-Driven Design

Angled segmented display screen and QR plate maximize visibility for both customers and staff. Anti-slip base pads ensure the device stays firmly in place, even in the busiest retail settings.

Crystal-Clear Audio, Adjustable Volume

Equipped with a 3W high-performance speaker, the QS6 broadcasts payment confirmations clearly, even in noisy environments. Volume levels can be adjusted to fit your space, ensuring you never miss a transaction.

Engineered for full-day performance – no recharges, no interruptions

Powered by a 2000mAh high-capacity battery, the QS6 delivers dependable, long-lasting energy that supports your operations from start to finish.

Dual-Network Stability

With 4G + WiFi connectivity, you get faster, more secure transmission, thus reducing delays, errors, and missed payments. Stay connected, always.

Built for Your Brand

Make it yours. From custom QR code plates to branded logos and audio ads, the QS6 offers full customization to help your business stand out and speak your brand language.
