

WISEASY QS6

QR Payment Speaker

4G & wifi connection

NFC

Ad broadcasting

Large-size
button design

High power
Loudspeaker

Long standby

Flexible Payment Methods

Support both QR and NFC payments. A quick scan or tap completes the transaction instantly, minimizing wait times and maximizing customer satisfaction.

Effortless Operation

The oversized replay button with concave design makes interaction easy, even without looking, ensuring comfort and speed in every use.

Personalized Audio Promotions & Advertising

With personalized audio advertising broadcasting, you can: Schedule promotions throughout the day / Cycle messages and special offers automatically / Display custom logos / Reinforce your brand with tailored audio ads.

Crystal-Clear Audio

Powered by a 2000mAh high-capacity battery, the QS6 delivers dependable, long-lasting energy that supports your operations from start to finish.

Purpose-Driven Design

An angled segmented display and QR plate maximize visibility for both staff and customers, while anti-slip pads keep the device stable in the busiest environments.

Always Connected

Stay online with dual-network stability via 4G + WiFi, reducing downtime, errors, and missed payments.

All-Day Power

With a 2000mAh high-capacity battery, the QS6 runs reliably from open to close — no recharges, no interruptions.
