7000mAH Battery

Follow us on:

**1.** Octa-Core 2.0GHz processor for multitasking speed

Equipped with a powerful processor, Wiseasy T2 stands out in multitasking operation and ensures merchants keep up with their business demands.

Octa-core 2.0 GHz

2. Tap on Glass for contactless payments

More friendly to customers for them to make payments while taking in everything displayed on the screen. A perfect choice for unattended payment scenarios.

3. "Power" your business, amplify your success

Large capacity battery for 10-hour continuous transaction

7000mAh high-power battery makes your business well prepared for long hours of continuous payment accepting.
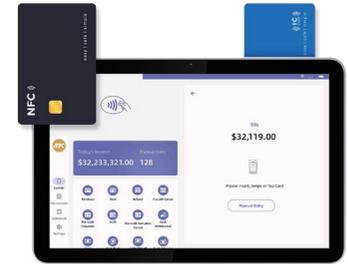

Supports quick charge for frequent use

By supporting quick charge, the large battery of Wiseasy T2 is powered faster within three hours for higher efficiency.

10 hours

7000mAh

4. One-touch biometric power on and app log-in

By adding fingerprint recognition function to its power button, Wiseasy T2 supports unlocking the device and logging in apps with just one biometric touch, which helps people get rid of the trouble of entering passwords.

5. Slim and light enough for great mobility

With thickness of 12.3mm and 635g weight, it's slim enough among payment tablets for tableside service or other scenarios where great mobility is necessary.

12.3mm

6. Flexible accessory extension for more functions

By virtue of the pogo pin, it's easy to add security certified fingerprint module, 3D structured light camera, professional scanner or other accessories to extend the function of Wiseasy T2.

Security Certified Fingerprint Module

3D Structured Light Camera

Professional Scanner

7. One device for diverse the scenarios

Wall-Mount Unattended

Multi-tab Charging Station

Smart Pinpad

Swivel Cashier Kit

Tabletop Self Service

Extensive Accessories

Vending Machine
